International Conference on Estuaries and Coasts (ICEC-2012) will be held in Hanoi, Vietnam, co-organized by Water Resources University and the International Research and Training Center on Erosion and Sedimentation (IRTCES).

**Overall programme**

We anticipate holding the congress in Summer 2012. The option is to have the program with 3.5 days of parallel technical sessions, half day technical visit and 1 or 2 days sight-seeing (optional).

**Other technical activities**

We plan to organize 1 half-day technical visit to Integrated Hydraulic Laboratory of WRU and Vietnam Academy for Water Resources. Besides, there will be one city-tour within Hanoi and one tour to Halong Bay, a famous world heritage of Vietnam.
